

Candwich™

- Sandwich is a quick and ready to eat sandwich. Perfect as a snack or a meal.
- Sandwich is perfect for people needing food in disaster stricken areas because it tastes good, has good nutritional content, and doesn't require refrigeration.
- Sandwich has a long shelf life that is perfect for emergency food storage needs in the event of a natural disaster.
- Sandwich's convenient packaging makes it very easy to hand out and store. The sandwich will not get smashed or damaged if transported in backpacks, or 72 hour kits.
- Sandwich's current Peanut Butter & Jelly flavor has universal appeal for young and old.
- Currently available in PB&J - Grape with new flavors including PB&J-Strawberry and Barbequed Chicken to follow in the coming months.
